

disinformation archetype

Wrong Track No. 1
Girl instead of Boy

Wrong Track No. 3
the Boy would not be on on the Dark Side

Inventor CIA Area 51b

Year ~1947

Since the Roswell-Incident, the CIA not just started to cover illegal Human Experiments with Alien Stories, they also actively hunt those, who could be able to leak details about the abusive system. In this case **"Man in Black"** or **"Enemy of State"** (just outdated technology Stuff so they gave it to the world and the Farady Cage is not really a Faraday Cage...) greetings to **Will Smith**, bzw. the movies are cool for young boys except that detail :)

Use Cases

To gloss over illegal Human Experiments that went wrong (premeditation), and because anesthesia went wrong much more these days
