Inventor God, Instrumentalized by Satan

Since reproduction (and therefore also to have sex) was vital for the preservation of the species. This early part of the brain has much influence to an individual. If your NeoCortex does not know about this Vulnerability one can easily abuse it for example to sell overpriced cars by simply putting a half naked woman on top of car: "**Limbic System Vulnerability Hack**" (the **limbic system**, is responsible for processing emotions and instinctive behavior)

Use Cases

Drives people to do things they would normally not do. If one is aware of vulnerability, a healthy and consensual sexual life is even good for the Endocrine System

Limbic System Vulnerability

Inventor Satan / Capitalism / Advertising Industry

Since we are genetically still over 90% identical to our ancestors that were driven by the limbic system (Neanderthals, Monkeys, RUST™-Bots) our brain is vulnerable eg. to fat food, sex, slides. This is used by advertising industry, but also "used" for imposing your will on others.

Michael Foucault: "Human body and the human disposition in terms of the priority of sexual desire" (Euphemism)

Use Cases

A Sociopath does not care about the sexual integrity of others, his primary focus is to sell crap and he would also abuse the SCC BDSM card and ignore resulting consequences
