

## Student Dignity (sapegoat)

**Inventor** God / Satan

**Year** ~1200

v. lat. ∴ **students** "**striving** (**after**), interested (for), striving for", plural: booze-up

**Socrates** (468 - 399 BC) "**Once you start believing you are, you've stopped becoming.**" / maybe low self esteem because of Parents that abused their power against their kids => the student has often to work for free, if he invents something great, he is expropriated, Satan claws the inventions and as "thanks" they intimidated him with non-students or student haters...

### Use Cases

**Most Use Cases:** Cleaning (wo)man, firefighter or for restoration after a fire, all people with low self esteem seem to enjoy braking and hitting students...

## carrot (German: Zuckerbrot)

**Inventor** God

**Year** ~0

**German:** **Sugar not Carrot.** The brain tells the "child", you have to eat that again (because sugar has a lot of energy) so you want more sugar/carrots. Unfortunately, it is also possible, to use the carrot to lead the child into the wrong direction: for example, if someone would reward it, if one tears the little sister at her hairs, this would be programmed too. Parents who would do such crap, would deny the existence of **Behavioral "Sciences"**...

### Use Cases

In every sweets store, every kiosk, every corner there are sugar-armed salesmen that argue, that they are Zacheaus, chief tax-farmer and would claim that they are entitled take the money for carrots.
